## Kung Fu Class Parent and Child Registration Form

### ☯ About Kung Fu Coach Huang Qin

Coach Huang Qin began studying martial arts at age 8, She is a professional Kung Fu and Tai Chi athlete with over 26 years of professional experience, and has competed in numerous National Wushu Championships in China.

Coach Huang Qin earned a Bachelor Degree of Arts in Chinese Traditional Sports at Shanghai Sports University. A former professor of Kung Fu and Tai chi at Ningbo University in Zhejiang, China. Coach Huang Qin's students have won awards from both China and US in Kung Fu and Tai Chi Competitions.

### ☯ Benefits your child will receive from Kung Fu

Studying Chinese Kung Fu helps students improve physically and mentally. Physically, students are encouraged to increase their speed, flexibility, coordination, and balance. Mentally, students are taught the values of self-discipline, respect, as they are nurtured in an environment that promotes a positive mental attitude and self-confidence. The key is to help your child become better listeners at home, better students at school, and be more enthusiastic towards the future. Learning Kung Fu is an excellent way for kids to learn the importance of *exercise while having fun at the same time!*
