

Math Club Enrollment Form

Math Club members are to meet once a week (Wednesday). Students are required to pass the placement test before joining the club. The screening process is based on their individual scores. Each meet will be 60 minutes. During that time, we will solve intricate math problems from a variety of resources and discuss certain strategic approaches in problem solving. The objective of this club is to serve those who find math fascinating and intriguing. We would like to focus on those who are serious and help them excel in math. In addition, to gain further interest in mathematics. All students from grade 2nd – 3rd grade are welcome.

REQUIREMENTS:

- Pass placement test
- Payment is to be made first week of each month
- 3 ring binder or folder to store worksheets
- Writing materials such as pencils and notebook for note taking.

SCHEDULE: Club membership \$100/Month

- Wednesday (2nd Grade: 1pm-2 pm, 3rd Grade: 2 pm – 3 pm)

Any request or circumstances that require instructor's attention, please contact Gary at (858) 610-1934 or email: gguan_ASLT@hotmail.com
